

## SLAB READY CHECKLIST

PLUMBING DIVISION

4970 Stough Road . Concord, NC 28027

Porta-Jon on site or within 200'  
(inspectors will fail slab inspection without Porta-Jon)

Power Pole on site (or temporary power)

Slab has been backfilled (if necessary)

Water Meter installed (for testing plumbing system)

Permit Posted

Boxing Complete if Mono. Stem Wall or basement walls complete

Verify boxing or stem wall is square and accurately matches plans for lot

Please utilize this checklist to assure QSI will be able complete your job in a timely and cost-effective manner. If we are unable to complete the job due to any of the above items not being ready, additional building costs can occur for both the Builder and QSI.

Please forward and questions to [scheduling@quanservices.com](mailto:scheduling@quanservices.com) or call (704) 266-6886.

Thanks  
*The QSI Team*
